EXPERIENCE LETTER CUM INTERNSHIP COMPLETION CERTIFICATE

Date: 5th June 2025

This is to certify that Mr. Rudalph Victor Gonsalves, a student of Fr. Conceicao Rodrigues College of Engineering, Bandra, Mumbai, from the Department of Computer Engineering, has successfully completed his internship at Future Logic Systems Pvt. Ltd., Bandra, Mumbai, as a Software Development Engineer Intern.

His internship tenure was from 1st January 2025 to 1st June 2025, during which he worked under the guidance of Mr. Mayur Aggarwal, Director at Future Logic Systems Pvt. Ltd.

During this period, Rudalph actively contributed to the design, development, and deployment of the company's flagship project, QR Cipher, a full-stack web and blockchain-integrated application. His key responsibilities and achievements include:

- Developing the QR Cipher application using the MERN stack and Next.js, contributing to both frontend and backend functionalities.
- Developing and deploying smart contracts using Solidity on the Ethereum blockchain, and integrating blockchain functionalities into the web application using Web3.js and IPFS.
- Independently handling the deployment of the application using Vercel, while ensuring seamless application performance and release cycles.
- Performing unit and integration testing of the platform to ensure security, scalability, and performance.

Throughout his internship, Rudalph demonstrated strong technical skills, problem-solving abilities, and an excellent collaborative attitude. He showed remarkable initiative in exploring and implementing new technologies, and his ability to work in a team-oriented environment was commendable.

Rudalph's conduct and professionalism throughout the internship were exemplary, and he made significant contributions to both the development and demonstration phases of the project.

Mr. Mayur Aggarwal
