APPRECIATION LETTER

I hereby express my sincere appreciation for Rudalph Gonsalves's invaluable contributions to cyber-crime investigation and cyber security awareness. His expertise and dedication have been instrumental in assisting us with numerous cyber-crime cases, and his passionate advocacy for cyber security awareness has empowered countless individuals and organizations.

Rudalph's keen eye for detail, brilliant analytical skills, and innovative approach have proven invaluable in unraveling complex cyber incidents and bringing perpetrators to justice. He generously shares his knowledge through training sessions, workshops and presentations, raising awareness and fostering a culture of security.

We are deeply grateful for Rudalph's outstanding contributions and feel privileged to have him as a partner in the fight against cyber-crime. We are confident that his continued dedication and expertise will continue to make a lasting impact on the future of cyber security.

Thank You Once Again Vishnu.
